ST GEORGE'S
PREPARATORY

24 July 2020

Dear Parents

COVID-19 National School Closures

Hopefully you all received the WhatsApp last night after President Cyril Ramaphosa's address to the Nation.

We received further correspondence this morning from NAISA (National Alliance of Independent Schools Association) confirming that it is only Public/State schools that will be closed in a staggered approach from 27 July until 24 August. As an Independent School we will remain open and continue to operate under our current system, for the remainder of this Term.

We will continue to inform parents if and when any changes manifest themselves from what we are currently allowed to do.

May you all have a wonderful weekend and we look forward to seeing the children either online or at school on Monday next week.

As always, please stay safe and God bless!

Yours sincerely
